Membership of The Friendly Transport Service costs £5 a year for individuals and £15 a year for group members.

You need to be an individual member to use the minibus unless the group whose trip you are on, or whose meeting you are going to, is already a member. You don't have to be a member to have a community car for an essential journey when there is no alternative transport.

A charge will be made towards mileage costs. If you need to travel with a carer, your carer can travel free.

All journeys must be booked in advance, preferably with at least 48hrs notice. Please let us know before you travel if you need any special help, if you use a wheelchair or if you will be bringing a walking aid.

For individual members:

- Do you have any walking aids or need any special help when travelling?

For group members:

- What is the purpose of your organisation?
- Do any of your members have special requirements when travelling?
- Would any of your members be willing to drive the minibus on group outings?
